AIIB Directive on
Designation of Signatory Authority
June 25, 2020

1. Overriding Objective

1.1 In accordance with Article 29(4) of the Articles of Agreement, the President is the legal representative of the Bank.

1.2 This Directive is issued by the President to designate the Vice Presidents and Staff of the Bank ("Officers") who may sign written instruments in the name, and on behalf, of the Bank with legally binding effect and consequences.

1.2.1 No Consultant or Expert on Mission shall be allowed to sign written instruments, in the name, and on behalf, of the Bank purporting to have legally binding effect and consequences.

1.3 The exercise and interpretation of this Directive shall seek to give effect to this overriding objective.

2. General Principles

2.1 The authority to sign written instruments and certify documents in the name, and on behalf, of the Bank shall be exercised in accordance with this Directive.

2.1.1 This Directive does not preclude the special designation by the President of Officers to sign written instruments in particular cases nor the designation by the President of particular written instruments requiring cosignature by two (or more) Officers.

2.1.2 This Directive is neutral as to the form taken by signature or certification in accordance with this Directive (whether physical, automated or virtual), save that its authenticity is verifiable, and integrity is maintained.

2.2 This Directive is without effect on the procedure by which the Bank comes to decisions that are reflected in the instruments to be signed or certified.

2.3 A list of designated Officers is given in the Annex, which forms part of this Directive.

3. Hierarchy of Authority

3.1 When two or more Officers are designated to sign a particular instrument, the authority so designated shall be deemed to be conferred on each of such persons severally.

3.2 When Officers of more than one Vice Presidency, Office or Department are designated for the purposes of any particular instrument, the authority so conferred should be exercised by an Officer of the Vice Presidency, Office, Department or Division to whose responsibilities the instrument most closely relates.
3.2.1 However, when Officers of more than one Vice Presidency, Office or Department are designated for the purposes of any particular instrument, the authority so conferred may be exercised on the basis of signing opportunity, in consultation with the Vice Presidency, Office or Department whose responsibilities most closely relate to such instrument.

4. Deputized Authority and Onward Delegation

4.1 Any Officer, of no less seniority than a Manager (Grades 10 and 11), appointed to act in an official capacity in the absence of an Officer designated in the Annex of this Directive shall be automatically deemed, whilst acting in that capacity, to have the same signing authority as that Officer, unless otherwise specified by the Annex of this Directive.

4.2 The Vice President, Head of Office or Department, designated for the purposes of any particular instrument may onward delegate to other Officers the authority so conferred upon them, subject to their signing a written statement of such onward delegation and this statement being shared with the Chief Officer.

5. Official Chop

5.1 The Vice President and Chief Administration Officer (VP CAO) shall exercise one or more Official Chops to affix on any written instrument as may be necessary to carry out the authority and functions of their Vice Presidency.

5.2 The Official Chop may be affixed to any written instrument upon the written authorization of the VP CAO. Upon issuance, such written authorization shall be shared with the Chief Officer.

5.3 The VP CAO shall be responsible for the use, custody and safekeeping of the Official Chop.

5.4 The VP CAO, with or without affixing the Official Chop, shall be authorized to issue certificates or other documents to certify or authenticate copies of Bank documents to third parties, and to attest the designation of signing officers, to the extent as may be necessary to carry out the authority and functions of their Vice Presidency.

6. Official Seal

6.1 The Vice President, Corporate Secretary shall exercise an Official Seal to affix on any written instrument as may be necessary to carry out the authority and functions of their Vice Presidency.

6.2 The Official Seal may be affixed to any written instrument upon the written authorization of the Vice President, Corporate Secretary. Upon issuance, such written
authorization shall be shared with the Chief Officer.

6.3 The Vice President, Corporate Secretary shall be responsible for the use, custody and safekeeping of the Official Seal.

6.4 The Vice President, Corporate Secretary, by affixing the Official Seal, shall be authorized to issue Note Verbale. Note Verbale shall not otherwise be issued on behalf of the Bank.

7. Decision-Making Processes and Responsibilities

7.1 The authority conferred on any Officer by this Directive does not relieve that Officer from subordination to the managerial and consultative procedures of the Bank, and it shall be the responsibility of designated Officers to ensure that all necessary authorizations are obtained before signing a written instrument, or affixing an Official Chop or Official Seal, in accordance with this Directive.

7.2 This Directive does not relieve the Officer of the responsibility of compliance with the Code of Conduct for Bank Personnel and adherence to Policies of the Board of Directors, the Staff Regulations, Staff Rules, Directives and Administrative Guidance.

7.3 No Officer who is not a Vice President, Head of Office or Department shall sign a written instrument in accordance with this Directive without the knowledge and authority of their corresponding Vice President, Head of Office or Department.

8. Reporting

8.1 Vice Presidents, Heads of Office and Department shall report periodically, as determined by the President, to the Executive Committee on the exercise of the authority conferred upon them and their Vice Presidency, Office or Department in accordance with this Directive.

9. Authority

9.1 The President, in consultation with the Executive Committee, shall make all final decisions regarding the application of this Directive.

9.2 This Directive hereby revokes and replaces the Directive on Designation of Signatory Authority of November 20, 2018.
Annex: Designation of Signatory Authority

The Officers designated below may sign written instruments in accordance with this Directive as follows:
