Dong Ik Lee

Director General

Dong-ik Lee leads Investment Operations III Finance and Industry (including ICT). Before joining AIIB, Lee was Corporate Advisor for Temasek, Singapore. During 2008-2013, he worked for Korea Investment Corporation as Chief Investment Officer and Head of Alternative Investments. Prior to that, Lee spent five years as Head of Investments at STIC Investments, a private equity/venture capital firm in Korea, where he was in charge of managing the Korea Global IT Fund, one of Korea's first global venture capital funds. From 1997 to 2001, he was Head of Overseas Investments Team at Samsung Life Insurance. From 1987 to 1997, Lee worked as Emerging Equity Market Analyst at the International Finance Corporation. Lee has a bachelor's degree in economics from Korea University, an MBA in finance and investments and an MS in management information systems from George Washington University. Lee is a national of Korea.
