

**ASIAN INFRASTRUCTURE
INVESTMENT BANK**

Konstantin Limitovskiy

Vice President, Investment Operations (Region 2)

Mr. Konstantin Limitovskiy is Vice President, Investment Operations where he oversees the entire project cycle for sovereign and nonsovereign investments in Pakistan, Afghanistan, Central Asia, East Asia, West Asia, Europe, Africa and Latin America. Prior to this role he was Chief Programming Officer and Senior Advisor to the President of AIIB and was head of the Client Relations and Programming Office.

Konstantin joined AIIB from the Eurasian Development Bank where he was Deputy Chairman leading business activities in infrastructure. Before that he was responsible for international project finance at VTB Group in Russia. Over the challenging period of 2009-2010 he was involved in managing real estate loan portfolio of Sberbank and established the infrastructure finance practice there. Before that, he helped developing and headed leveraged and structured finance operations for Gazprombank and Alfa Bank. Prior to that he led banking activities in infrastructure finance at the Black Sea Trade and Development Bank – international development bank based in Greece.

Limitovskiy is a graduate of the Russian Finance University. He also holds an MA degree in geophysics.
