

Hui Fong Lee
Controller

Lee leads the Controller's Department and is responsible for maintaining the integrity of AIIB's financial position. She oversees financial reporting, internal controls, loan administration and day-to-day financial operations, and also ensures sound fiduciary management in relation to authorization of disbursements and administrative expenses, among others. Lee joined AIIB in August 2017 from Ernst & Young where she was an Assurance Partner responsible for the audit of large international banks. She holds a bachelor's degree in Accounting from the University of Malaya, and she is a Certified Public Accountant in both Malaysia and Hong Kong, China. Lee is a national of Malaysia.
