

Konstantin Limitovskiy

Vice President, Investment Operations (Region 2)

Limitovskiy is Vice President, Investment Operations (Region 2) where he oversees the entire project cycle for sovereign and nonsovereign investments in Pakistan, Afghanistan, Central Asia, East Asia, West Asia, Europe, Africa and Latin America. He also has joint oversight with the VP for Investment Operations (Region 1) over the Social Infrastructure Department, created in October 2020. Prior to this role, he was Chief Programming Officer and Senior Advisor to the President of AIIB, heading the Client Relations and Programming Office. Konstantin joined AIIB in November 2018 from the Eurasian Development Bank where he was Deputy Chairman leading business activities in infrastructure. Before that, he was responsible for international project finance at the VTB Group in Russia. Over the challenging period of 2009-2010, he was involved in managing the real estate loan portfolio of Sberbank and established the infrastructure finance practice there. Before that, he helped developed and headed leveraged and structured finance operations for Gazprombank and Alfa Bank. Prior to that, he led banking activities in infrastructure finance at the Black Sea Trade and Development Bank, an international development bank based in Greece. He is a graduate of the Russian Finance University. He also holds an MA degree in geophysics. Limitovskiy is from Russia.
