

# Request for Expression of Interest for Selection of the Special Project Technical Advisory and Supervisory Services for Construction of AIIB Permanent Headquarters Office Building

The Asian Infrastructure Investment Bank (AIIB), is a new multilateral financial institution designed to provide financial assistance to infrastructure development and regional connectivity in Asia. AIIB's Headquarters is located in Beijing, China.

AIIB invites building construction supervisory companies to express interest in providing technical advisory and supervisory services for the construction of AIIB's Permanent Headquarters Office Building. A shortlist will be prepared following the selection criteria for participating in the competitive selection process following AIIB's Corporate Procurement Policy and procedures.

Letter of Expression of Interest (EOI) should provide information of the company's technical qualifications and relevant project experience in undertaking advisory and supervisory services for construction of office buildings for the clients as large domestic and international institutions in the past 5 years. The project related information should include: (i) name of the Project, (ii) name of the Client, (iii) location of the Project, (iv) duration of the Project, and (v) a brief description of the Project and the company's role.

The EOI must be delivered no later than July 26, 2016 to the following address:
