Part I						
1				Evaluation and Qualification Criteria	<p>Evaluation and Qualification Criteria</p> <p>*Similar work: Similar works for this contract shall be the work of Supply, Installation, Testing and Commissioning of E&M works of Metro Station / Mass Rapid Transit System/ Railway Stations / Airport / Commercial Buildings / Official Buildings / Hospital Buildings / Industrial Establishments. Such E &M work can be part of a larger contract. E&M works shall be defined as work containing electrification, Fire suppression & Detection and VAC components.</p> <p>Construction Experience in Key Activities: For the Above or other contracts executed during the period stipulated in 2.4.1, a minimum construction experience is required in the following key activities Supply, Installation, Testing and Commissioning of " Similar Works " of</p> <p>At least three (3) Elevated Metro Stations or one underground Metro Station.</p> <p>OR</p> <p>One (1) Railway Workshop or One (1) Metro Depot</p> <p>OR</p> <p>Large multistorey building such as Airport, Hospital, Hotel, IT Park, Commercial Mall, any Industrial Project, Factory etc. with minimum transformer rating of 2000 KVA and above capacity.</p>	Refer Addendum No. 2
2	Part -1 Annexure 1.3 Part I	Section 3 EQC	Clause - 4.1, Pg-11	General Experience - "Lead Member should meet requirement"	General Experience - "Any one partner Must meet requirement"	Refer Addendum No. 2
3	Part -1 Annexure 1.3 Part I	Section 3 EQC	Clause - 4.2A, Pg-13	(i) Specific Experience in Key activities – Supply, installation and commissioning"Lead Member should meet requirement"	(i) Specific Experience in Key activities – Supply, installation and commissioning "Any one partner Must meet requirement"	Refer Addendum No. 2
4	Addendum 1	Annexure - 1.3 Part - I	3. Financial Eligibility Criteria: 3.4 Net Worth	The net worth of the bidder should be at least INR 56.9 Crore in last audited financial year.	<p><u>Before Issuance of Addendum -1:</u> The required Net Worth was INR 56.9 Crores and the Estimated Cost of Works was INR 543 Crores.</p> <p><u>Post Issuance of Addendum-1:</u> The revised Estimated Cost of Works is INR 428.3 Crores, which is significant reduction on account of Scope Reduction.</p> <p>In view of the above we would request you to kindly reduce the requirement of the Net Worth in line with Revised Estimated Cost of Works and amend it to around INR 40 Crores.</p>	Refer Addendum No. 2

<p>DESIGN, MANUFACTURE, SUPPLY, INSTALLATION, INTEGRATION, TESTING AND COMMISSIONING OF 220 kV RECEIVING SUBSTATION INCLUDING 220 kV, 33kV & 25kV CABLING WORK, COMPLETE 25kV OVERHEAD CATENARY SYSTEM ALONGWITH SWITCHING STATION, 33kV AUXILIARY POWER DISTRIBUTION SYSTEM INCLUDING 33/0.415 kV AUXILIARY SUB-STATION (ASS) AND COMPLETE SCADA SYSTEM, ELECTRICAL AND MECHANICAL WORKS, LIFT & ESCALATOR WORKS FOR PART OF MAIN LINE, STATIONS & KASHELI DEPOT OF MUMBAI METRO RAIL LINE 5 PROJECT OF MMRDA INCLUDING 5 YEARS OF COMPREHENSIVE MAINTENANCE AFTER 2 YEARS OF DEFECT LIABILITY AND MAINTENANCE PERIOD</p>						
<p>Note: The following further inputs/clarifications are provided to the Bidders based on the Employer's review of various provisions of the tender documents and other considerations for better understanding of the Bidders of various requirements to enhance their participation in the Tender</p>						
SN	Part No.	Section	Clause No. and Page No.	Existing Provision (As per issued tender document, including addendum issued)	Issue For Consideration (FAQ)	Further inputs from MMRDA/ Final Provision Response
5	Addendum 1	Annexure - 1.3 Part - I	4.2 A (i) Specific Experience in Key activities – Supply, installation and commissioning	Bidder shall have satisfactorily completed OHE work for 25KV and above for the Traction Power Supply for Metro Rail/ Suburban Rail/ Mainline Railway / Railway Electrification / Power infrastructure Project during last Seven (7) years from the date of submission of bid	<p>We understand that the required experience is to ascertain whether the bidder has the competency to execute the 25kV Traction Power Supply works for the given project.</p> <p>We would like to apprise you of the situation that within last 7 years, there were very limited 25kV Metro Rail Projects. We have either successfully commissioned projects falling out of last 7 years or ongoing projects which are yet to be commissioned. We would like to confirm that we have required competency to execute the 25kV Traction Power Supply Project.</p> <p>In view of the above, we would request you to kindly remove the "during last Seven (7) years from the date of submission of bid" and amend it to "last Ten (10) (7) years from the date of submission of bid".</p> <p>Also, referring to the CONTRACT NO. CA-232 issued by MMRDA has asked bidders to provide Specific Experience falling within last 10 years (please refer to the attached Annexure-1.3 for your quick reference). Therefore, request you to kindly amend the requirement here in this tender as well.</p>	Refer Addendum No. 2
6	Addendum 1	Annexure 1.9 Section 4C Pricing Document & Annexure 3.1 Appendix 3 Indicative Payment Schedule		Price Schedule- A Cost Centers and Limits (Total Design Build Cost) - Cost Centres : S1, S2, S3, S4, S5, S6, S7, S8, S9 & Appendix 1 - INDICATIVE PAYMENT SCHEDULE	<p>The Payment % defined in the Indicative Payment Schedule does not fully correlate with the Cost Centre percentage defined under Price Schedule A.</p> <p>For example: Cost Centre S3 is defined with maximum allowed weightage as 46%, which is only Supply of PST items. However, the corresponding payment % defined in the indicative payment schedule for PST is 100%, with breakup of 100% with Supply, Installation, Testing & Commissioning.</p> <p>Request you to kindly revisit the referred documents and provide necessary clarifications.</p>	Tender Condition Shall Prevail
7	Addendum 1	Annexure 1.9 Section 4C Pricing Document	Price Schedule B1: Maintenance Services	PRICE SCHEDULE B1: Preventive Maintenance during DLMP (24 months), Comprehensive MAINTENANCE SERVICE (60 Months), and Hand-back requirements.	<p>The explanation for filling the price schedule B1 is provided to fill in prices for DLP-24 months and CMP-60 months. However, the Price Schedule B1 table requires Bidders to fill price Monthly and Quarterly.</p> <p>Request you to kindly clarify the price to be filled in the column labelled as Quarterly.</p>	Tender Condition Shall Prevail
8	Addendum 1	Annexure 1.2 Form 1.2 A Joint Bidding Agreement			We understand that a contractual (i.e. unincorporated) JV is permitted under the revised Joint Bidding Agreement. Kindly confirm our understanding.	Tender Condition Shall Prevail
9	Addendum 1				You would appreciate the fact that the Addendum 1 issued has majorly redefined the Contract. Also, it constitutes of huge documents which shall require some more time for study. Request you to kindly extend the bid due date by minimum 6 weeks .	Refer Latest Corrigendum No. 7
