

**The Expression of Interest (EOI) for Consulting Services for Technical Feasibility Study for Capacity Enhancement of Mau Summit – Eldoret – Malaba (A8) Road for Implementation on a Public–Private Partnership (PPP) under the Eldoret – Malaba (A8) Road Capacity Enhancement Project (KENYA)** was published on the KeNHA Website, Local Media and the AIIB website. The following amendment is made in response to queries (**Addendum No. 1** to the EOI):

No.	Bidder	Clarification / Query	Procuring Authority Response
1.	<b>Afritrade Consulting Group</b>	<p><b>Query 1 — Nature of the financial close requirement</b></p> <p>Whether the qualification requirement for experience as Lead PPP Transaction Advisor on projects that have achieved financial close is intended to assess transaction advisory and financial structuring experience, or technical advisory experience in the context of feasibility studies and project development.</p>	<p><b>PPP Technical Advisory Experience (Toll Roads):</b></p> <p>This requirement is amended to read as follows:</p> <p>The Consultant shall demonstrate experience of having acted as the Lead Technical Advisor for at least two (2) toll road or expressway PPP projects that achieved financial close within the last fifteen (15) years. The Consultant's role shall have included technical feasibility studies, development of technical requirements, specifications and performance standards, preparation of technical inputs to procurement and transaction documentation, support to the procurement process and technical evaluation of bids, and provision of technical support during negotiations through to financial close.</p>
2.	<b>Afritrade Consulting Group</b>	<p><b>Query 2 — Equivalent experience</b></p> <p>Whether the Procuring Authority will consider equivalent experience in leading technical feasibility studies and project development advisory assignments on PPP or infrastructure projects, in lieu of or alongside transaction advisory experience, as a satisfactory demonstration of the required qualification.</p>	<p>PPP Advisory/Financial Advisory is a distinct assignment and will be procured separately. Please see one (1) above for the required qualification.</p> <p>This EoI envisages a consortium of Technical and Environmental and Social Consultants with PPP experience.</p> <p>Bidders are directed to refer to the amended requirement set out in response to Query 1 above when preparing their submissions.</p>
