

INVITATION FOR TENDER

PGCB Memo No. and Date	:	27.21.0000.101.07.406 21.653; January 28, 2021
Loan No. and Title	:	0088A-BGD: Bangladesh Power System Upgrade and Expansion (Chattogram Area) Project
Contract No. and Title	:	PGCB/AIB/008A-BGD/SS/Package-3
	:	Construction of 230/132kV GIS Substation at Anandabazar(New Mooring), Upgradation of existing Khulshi Substation to 230/132/33kV GIS & Bay Extension at Madunaghat 230kV GIS Substation (Package-3)
Deadline for Submission of Bids	:	March 29, 2021, 11:00 Hours Local Time

- The People's Republic of Bangladesh has received for financing from the Asian Infrastructure Investment Bank (AIIB) toward the cost of Expansion and Strengthening of Power System Network under Chattogram Area. Part of this financing will be used for payments under the contract named above. Tendering is open to prospective Tenderers from eligible source countries of AIIB.
- The Power Grid Company of Bangladesh Limited (PGCB), ("the Employer") invites sealed Tenders (1 stage 2 envelopes) from eligible Tenderers for the design, construction, completion of "Construction of 230/132kV GIS Substation at Anandabazar(New Mooring), Upgradation of existing Khulshi Substation to 230/132/33kV GIS & Bay Extension at Madunaghat 230kV GIS Substation (Package-3)" ("the facilities"). The Works under this contract shall have to be completed within 24 (Twenty four) months from the effective date.
- International Open Competitive Tendering (IOCT) will be conducted in accordance with AIIB's Interim Operational Directive on Procurement Instructions for Recipients (June 2, 2016) (PIR) and is open to all prospective Tenderers from all eligible countries as described in the Tendering Document
- Tenderers shall meet the following minimum requirements along with other requirements as mentioned in the bidding documents:
 - Tenderer must have Experience under contracts in the role of contractor, sub- contractor or management contractor in power sector for at least 10(ten) years prior to the Tender submission deadline.
 - Participation as a contractor in at least three contracts that have been successfully completed within the last 10 (ten) years (counting backward from the bid submission deadline) and that are similar to the proposed contract, where the value of the Tenderer's (or JV partner) participation in one contract exceeds USD 30.0 million (USD thirty million) and with a total aggregated value of at least USD 50.0 million(USD fifty million)
The similarity of the Tenderer's participation shall be based on the physical size, nature of works, complexity, methods, technology or other characteristics as described in Employer's Requirements. The scope of each contract must include design, supply, installation, testing & commissioning of new or extension/renovation of existing 220/X kV or above voltage AIS/GIS substation with at least four (4) bays of 220kV or above voltage including one (1) power transformer 220/XkV voltage rating or above .
The above three contracts should meet the criteria mentioned below.
 - At least one (1) of the above mentioned contracts with completely new 220/X kV or above voltage GIS substation shall be in successful operation for a minimum of three (3) years counting backward from the tender submission deadline.
 - At least one (1) of the above mentioned contracts must be completed outside the tenderer's own country or in Bangladesh.
Evidence of above experience shall be submitted in the tender. It shall be given on the user's letterhead, indicating address, telephone and fax numbers of the user. It shall include the name of the project, name of the employer, description of the work, commissioning date and contract amount.
