Mandalika Urban and Tourism Infrastructure Project (MUTIP)

Assignment Title : **Development of Spatial Monitoring and Reporting Tool (SMART)**

References : Component 2 – Package 7 Procurement Plan

PT Pengembangan Pariwisata Indonesia (Persero) / (Indonesia Tourism Development Corporation - ITDC - a State Owned Company) has received financing from the Asian Infrastructure Investment Bank (AIIB) toward the cost of Mandalika Urban and Tourism Infrastructure Project (MUTIP), and intends to apply part of the proceeds for consulting services.

The ITDC now invites eligible consulting firms ("Consultants") to indicate their interest in providing the Services. Interested Consultants should provide information demonstrating that they have the required qualifications and relevant experience to perform the Services.

Interested Consultants must provide sufficient information indicating that they are qualified to perform the services such as brochures/company profile, description of similar assignments (including location/country, name of the Employer/Client, type of services provided, period of contract, contract amount, starting and completion dates) and availability of appropriate skills among permanent staff, etc.) which covers such following information (as the shortlisting criteria):

- Having consultancy services for Development of Spatial Monitoring And Reporting Tools (SMART) as a core business for at least 7 (seven) years of operation;
- Having survey and mapping consulting services using small and medium format aerial photography (aerial photogrammetry) technology.
- Having relevant experience at least one completed contract in the past 7 (seven) years as provider in provisioning of geospatial data and its application with the latest

technology, including LiDAR survey and direct geo-referencing Aerial Photogrammetry (Digital Medium Metric Aerial Photograph) in government and private sector.

SMART is expected to start in July with an estimated contract duration of 6 months.

The attention of interested Consultants is drawn to Section II, paragraph 4.4 of the AIIB Procurement Directive (June 2, 2016) (“Procurement Directive”), setting forth the AIIB’s policy on conflict of interest.

Consultants may choose (but not mandatory) to associate with other firms (max. 3 firms) in the form of a joint venture or a sub-consultancy to enhance their qualifications. In case of an association, the EOI must explicitly specify whether the association is in the form of a Joint Venture (all members jointly and severally liable for the entire assignment), or Sub consultancy. In case of joint venture, the member firm appointed to represent the joint venture must be clearly identified. Only the qualifications and experience of members of joint venture, but not of sub-consultants, shall be considered in the EOI evaluation process.

A Consultant will be selected in accordance with the National Competitive Selection – Quality and Cost Based Selection (QCBS) method set out in the Procurement Directive.

Interested Consultant firms may access Terms of Reference at <https://www.itdc.co.id/mutip-procurement>. Further information can be obtained at the email address below.

Expression of Interest, which shall not exceed 25 pages, must be submitted through electronically in pdf format to the following email address not later than 14 April 2021.
