Issue date	22 April 2019

The Islamic Republic of Pakistan is applying for financing in the amount of US\$ 400 million equivalent from the **Asian Infrastructure Investment Bank (AIIB)** toward the cost of the Lahore Water and Wastewater Management Project, and it intends to apply part of the proceeds to payments for goods, works, related services and consulting services to be procured under this project.

The project objective is to ensure sustainable supply of safe water, reduce deteriorating environmental impacts due to untreated sewage disposal, and strengthen institutional capacity of Lahore Water and Sanitation Agency (LWASA) to deliver improved services to the people of Metropolitan City of Lahore, and become financially a strong entity.

The project will include the following three components:

- (i) Investment for safe water supply infrastructure, including (a) construction of new siphon on River Ravi;(b) construction of intake structure, gates, and raw water channel;(c) construction of a Surface Water Treatment Plant of 245,000 cubic meter per day capacity;(d) rehabilitation/replacement of distribution network and pumping machinery;(e) electrical and mechanical works including SCADA system and installation of Bulk meters.
- (ii) Investment for safe sanitation infrastructure, including construction of two Waste Water Treatment Plants (WWTPs) and rehabilitation/replacement of inefficient sewage pumping stations and sewer lines, and construction of main trunk sewers to the WWTPs; and
- (iii) Technical support for institutional performance improvement and construction supervision.

Procurement of contracts financed by AIIB will be conducted through the procedures as specified in the AIIB's Interim Operational Directive on Procurement Instructions for Recipients (June 2, 2016), and is open to all eligible tenderers as defined in the Instructions.

Specific procurement notices for contracts to be bid under the AIIB's international open competitive tender (IOCT)/selection (IOCS) procedures and for contracts and consultancy services will be announced, as they become available, in [UN Development](#)

[Business](#) and the AIIB Websites, in Recipient's widely circulated national newspaper(s) or on Recipient's own website and Official Government Procurement Portal.
