1. The Government of Sri Lanka has already obtained financing from the Asian Infrastructure Investment Bank (AIIB) towards the cost of the Reduction of Landslide Vulnerability by Mitigation Measures Project (RLVMMP), and intends to apply part of the proceeds towards payments under the contract for Landslide Mitigation Measures at Kalalgamuwa in Kandy District, Rathithota public playground, Atanwela, Welikanda Road - Balakaduwa and Ukuwela power plant in Matale District. Estimated to cost LKR 349 Million (USD 1.06 million) excluding contingencies and VAT.

2. The Chairman, Project Procurement Committee on behalf of the Ministry of Defence now invites sealed Tenders from eligible Tenderers for above work located in Matale and Kandy Districts. Construction period of this contract shall be 365 calendar days and defects liability period shall be 365 Days after completion of all construction works.

To be eligible for contract award, the successful Tenderer shall not have been blacklisted/debarred and shall meet the following requirements:

a) Domestic Tenderers should have been registered and hold a valid registration in the Construction Industry Development Authority (CIDA/ICTAD) (previously known as ICTAD) - Grade C2 or above under Building & Civil Engineering or Grade SPI under Soil nailing & Stabilization.

Any Foreign Contractor who wishes to carry out any "Construction Contract" as the main/lead party shall obtain a Temporary Registration Certificate for Foreign Contractor upon the succeeding it’s Tender. Please refer Gazette no.2085/19 dated 23.08.2018 “Registration of foreign contractors” - this can be downloaded from www.documents.gov.lk & visit www.cida.gov.lk for more details.

b) Only eligible Tenderers with the following key qualifications should participate in this tendering:

A Financial

i. The Tenderer shall demonstrate that it has access to or has available, liquid assets, unencumbered real assets, lines of credit, and other financial means (independent of any contractual advance payment) sufficient to meet the construction cash flow requirements estimated as LKR 100 million (USD 0.30 Million) on the subject contract(s) net of the Tenderer’s other commitments.

ii. The Tenderers shall also demonstrate, to the satisfaction of the Employer, that it has adequate sources of finance to meet the cash flow requirements on works currently in progress and for future contract commitments.

iii. The audited balance sheets or, if not required by the laws of the Tenderer’s country, other financial statements acceptable to the Employer, for the last 05 years (2013-2018 to 2021 -2022) shall be submitted and must demonstrate the current soundness of the Tenderer’s financial position and indicate its prospective long-term profitability. (As the minimum requirement, a tenderer’s net worth calculated as the difference between total assets and total liabilities should be positive. Negative trend of area of profitability may also be caused for rejection of tender).

iv. Minimum Average annual volume of construction work performed in last five years (up to tender submission deadline) shall be at least LKR 600 million (USD 1.82 Million);
