

**Call for Second Phase of Public Consultation
Draft Complaints Handling Mechanism
Jan. 26 - March 26, 2018**

The Asian Infrastructure Investment Bank (AIIB) has launched the second phase of public consultation for its project complaints handling mechanism. We welcome comments and suggestions on the draft Project-affected People's Mechanism (PPM).

AIIB thanks all who joined the first phase of consultation for this mechanism. Fifteen written submissions were received from NGOs, academics, the United Nations, business and professional bodies based in Asia (including Russia), Australia, Europe, South America and the United States. Discussions were also held in four group video conferences, a roundtable at AIIB's 2017 annual meeting and in-person meetings. Some 340 individual points were raised for consideration. These are summarized and ranked by frequency below:

1. **PPM and CEIU independence:** Particularly from Management, and in CEIU staff selection to avoid conflict of interest and ensure expertise.
2. **PPM and CEIU outreach and site visits:** Including for local awareness-raising about the PPM and for monitoring purposes.
3. **Complaint handling process:** Taking an early and preemptory approach; allowing a complaint from even one to two complainants; allowing complainants to move flexibly between complaint channels; and using clear, easy, timely and transparent processes that are culturally sensitive and in appropriate languages.
4. **Complainant protection:** Against retaliation and through anonymity.
5. **Remedial actions:** Including a PPM role to propose and design actions; suspension; remedy funding and PPM monitoring of remedial action plans.
6. **Learning:** For policy improvement (including the Environmental and Social Framework) and documentation to improve practice.

Together with inputs from AIIB's Board of Directors and members, these comments have helped shape the draft mechanism shared for public discussion today.

Consultation Timeline

AIIB welcomes suggestions from any individual, organization or stakeholder during the 60-day phase two public consultation period from Friday Jan. 26 to **Monday March 26, 2018**.
