

Specific Procurement Notice (SPN)

Procurement of Plant

Design, Supply and Installation (Without Prequalification)

Country: Sri Lanka
Employer: Ceylon Electricity Board
Project: Sampur Kappalthurai Transmission Infrastructure Development Project
Loan No.: Proposed AIIB Loan
Contract Title: Lot B: Construction of Sampur Solar Collector 220(132)/33 kV Grid Substation and Augmentation of Kappalthurai 220(132)/33 kV Grid Substation
SPN Reference/Tender No: CEB/PR/TRPR/SKTDP/2024/ICB/LOT B
Tender Document Issued On: 04-09-2025

1. The Government of the Democratic Socialist Republic of Sri Lanka has applied for financing from the Asian Infrastructure Investment Bank (AIIB or the Bank) toward the cost of the Sampur Kappalthurai Transmission Infrastructure Development Project and intends to apply part of the proceeds toward payments under the contract for Lot B: Construction of Sampur Solar Collector 220(132)/33 kV Grid Substation and Augmentation of Kappalthurai 220(132)/33 kV Grid Substation.
2. The Ceylon Electricity Board now invites sealed Tenders from eligible Tenderers for the Construction of Sampur Solar Collector 220(132)/33 kV Grid Substation and Augmentation of the existing Kappalthurai 220(132)/33 kV Grid Substation.

The scope of work includes the design, supply, installation, testing, and commissioning of a new 220(132)/33 kV outdoor air-insulated switchyard with a double busbar arrangement at proposed Sampur CGS, equipped with one 220(132)/33 kV, 63 MVA power transformer, 33 kV GIS, protection and control systems, and all necessary auxiliary facilities.

The contract also covers the modification and augmentation of existing 220(132) kV switch yard and associated systems at the Kappalthurai Grid Substation to enable connection with the proposed Sampur Collector substation.

While the Sampur Substation is designed for 220 kV operation, temporary energization at 132 kV may be adopted only if the New Habarana–Kappalthurai 220 kV Transmission Line is not commissioned in time. If the Habarana–Kappalthurai line is completed as scheduled, both Sampur and Kappalthurai Substations will be energized at 220 kV from the outset.

The Contract is to be completed within 730 days from the Effective Date.

3. Tendering will be conducted through International Open Competitive Tendering (IOCT) procedures as specified in the Bank's Directive on Procurement Instructions for Recipients (PIR) and is open to all eligible Tenderers as defined in the PIR.
4. Interested eligible Tenderers may obtain further information from

Project Manager (CEATP-I)
Ceylon Electricity Board
3rd Floor, GOBA Building
65/1, Sir Chittampalam A Gardiner Mawatha, Colombo 02
Email: chameera.rajapaksha@ceb.lk

Inspect the Tender Document during office hours from 08:30 a.m. to 2.30 p.m. on working days at the address given below.

5. The Tender Document in English may be purchased by interested eligible Tenderers upon submission of a written request to the address below and payment of a non-refundable fee of **Sri Lanka Rupees Two Hundred and Fifty Thousand (LKR 250,000.00)** or **United States Dollars Eight Hundred and Fifty (USD 850.00)**.

Payment may be made by Cash or Bank Draft in favor of the General Manager, Ceylon Electricity Board, and documents can be collected from the Office of the Project Manager (CEATP-I), 3rd Floor, GOBA Building, 65/1 Sir Chittampalam A. Gardiner Mawatha, Colombo 02.

Upon request, the Tender Document can be dispatched via courier as follows:

- Domestic delivery (within Sri Lanka): Sri Lanka Rupees Ten Thousand (LKR 10,000.00)
- Overseas delivery: United States Dollars Three Hundred (USD 300.00)

The courier fee covers secure express delivery of the full Tender Document set with the ESIA documents. No liability will be accepted by the Ceylon Electricity Board for loss or delayed delivery.

An information copy of the Tender Document is available for reference on the Ceylon Electricity Board website at www.ceb.lk.

6. Tenders must be delivered to the address below on or before 30-10-2025 at 10:00 a.m. Electronic tendering will not be permitted. Late Tenders will be rejected. The outer Tender envelopes marked "ORIGINAL TENDER", and the inner envelopes marked "TECHNICAL TENDER" will be publicly opened in the presence of the Tenderers' designated representatives and anyone who chooses to attend, at the address below on 30-10-2025 at 10:00 a.m. All envelopes marked "FINANCIAL TENDER" shall remain unopened and will be held in the safe custody of the Employer until the second public Tender opening.
7. All Tenders must be accompanied by a Tender Security of **Sri Lanka Rupees Sixty Million only (LKR 60,000,000.00)** or an equivalent amount of **United States Dollars Two Hundred Thousand only (USD 200,000.00)**.
8. The address(es) referred to above is (are):
