

Publication of Contract Award

Country: China

Project Name: Henan Flood Emergency Rehabilitation and Recovery Project

Project Number: P000543

Purchaser / Employer: Xinxiang Municipal Urban Administration Bureau

Contract Description.: Improvement of Xinxiang Urban Drainage System Project for the Catchment Area of the Yinmakaou Rainwater Pumping Station Section I

Contract Number: XXCG-Works-1

Procurement Method: NCT1S1E

1. The Successful Tenderer

Name of Tenderer:	Xinjiang Beixin Road & Bridge Group Co., Ltd.
Country:	China
Contract Price:	CNY 103,244,602.69

2. Responsive Tenderer(s)

3. Rejected/Non-responsive Tender(s)

Name of Tenderer	Country	
Xinxiang Municipal Engineering Department Co., Ltd.	China	Non Responsive
Shanghai Urban	China	Non Responsive

Construction Municipal Engineering (Group) Co., Ltd.		
Xuzhou Municipal Construction Group Co., Ltd.	China	Non Responsive
Zhengyan Construction Group Co., Ltd.	China	Non Responsive
Hangzhou Weiye Construction Group Co., Ltd.	China	Non Responsive, 1.As of the deadline specified in the Clarification Letter for Tender issued on July 24, 2025 (i.e., 18:00 Beijing time on July 31, 2025), 7# Hangzhou Weiye Construction Group Co., Ltd., whose tender was identified as a potentially abnormally low-priced bid, failed to respond to the bid clarification request. In accordance with clause 27.2 of Section 1 of the tendering documents, 'If a Bidder fails to provide the information requested for clarification within the time limit specified by the Employer, its tender may be rejected.' Therefore, the tenderer's tender is rejected. 2.The Tenderer does not agree to extend the validity period of its tender and tender security. Upon the expiry of the original tender validity period specified in the tendering documents, i.e., November 19, 2025, its tender shall automatically become invalid.
Hebei Construction Group Co., Ltd.	China	Tender Not Signed
Shanxi Construction Engineering Group Co., Ltd.	China	Non Responsive
Fujian Water Conservancy and Hydropower Engineering	China	Non Responsive, 1.As of the deadline specified in the Clarification Letter for Tender issued on July 24, 2025 (i.e., 18:00 Beijing time on July 31, 2025), 12# Fujian Water Resources and Hydropower Engineering Bureau Co., Ltd., whose tender was identified as a potentially abnormally low-priced bid, failed to respond to the bid clarification request. In accordance with clause 27.2 of Section 1 of the tendering documents, 'If a Bidder fails to provide the information requested for clarification within the time limit specified by the Employer, its tender may be rejected.'

Bureau Co., Ltd.		Therefore, the tenderer's tender is rejected. 2.The Tenderer does not agree to extend the validity period of its tender and tender security. Upon the expiry of the original tender validity period specified in the tendering documents, i.e., November 19, 2025, its tender shall automatically become invalid.
Guangdong No. 3 Water Conservancy and Hydropower Engineering Bureau Co., Ltd.	China	Non Responsive
China Railway 24th Bureau Group Co., Ltd.	China	Non Responsive
China Ocean Engineering Construction General Bureau Co., Ltd.	China	Non Responsive, Tender Security not Provided
Tianjin No. 2 Municipal Highway Engineering Co., Ltd.	China	Non Responsive
Henan Water Construction Group Co., Ltd.	China	Non Responsive
China Gezhouba Group Road & Bridge	China	Non Responsive, 1.The validity period of this tenderer's bank guarantee for the tender security is December 6, 2025, which does not meet the requirement set out in Clause 19.2, Section 1 of the tendering documents, stating that 'the validity period of the tender security shall be 28 days longer than the tender validity period, or 28 days after the extended tender validity

Engineering Co., Ltd.		period in accordance with Clause 18.2 of the Instructions to tenderers (i.e., December 17, 2025). Therefore, its tender is rejected. 2.The Tenderer does not agree to extend the validity period of its tender and tender security. Upon the expiry of the original tender validity period specified in the tendering documents, i.e., November 19, 2025, its tender shall automatically become invalid.
Anhui Construction Engineering Highway & Bridge Construction Group Co., Ltd.	China	Non Responsive
Jinan Huanghe Road & Bridge Construction Group Co., Ltd.	China	Non Responsive
Hunan Gaoling Construction Group Co., Ltd.	China	Pursuant to Clause 33 of Section 1 and Clause 1.6 of Section 3 of the tendering documents, the tender submitted by this tenderer has been identified as a potential abnormally low-priced tender. After seeking clarification, the tender evaluation committee considers that the tenderer has serious omissions or missing work sequences in the quotations for key work items such as rainwater engineering concrete pipes, rainwater engineering concrete box culverts, concrete manholes, and working pits, and has failed to respond to the characteristics of the bidding bill of quantities and the construction drawings. Therefore, its quoted price cannot support the completion of the construction work as required by the tendering documents with guaranteed quality, and there exists a significant performance risk. The tenderer is at risk of being unable to procure compliant materials and unable to carry out construction in accordance with the drawings and technical specifications, and as a result, safety and schedule cannot be ensured. The implementation of these key work items is crucial to the performance of this contract, and the existing problems will seriously affect the quality of the project. In accordance with Clause 33.4 of Section 1 of the tendering documents, the tender evaluation committee determines that the tenderer's clarification response fails to sufficiently justify the reasonableness of its low price and low cost. Therefore, its tender is rejected."
