General Procurement Notice (GPN)

Country: Indonesia
Project: Solid Waste Management for Sustainable Urban Development Project (SWM-SUD)
Loan No.: AIIB L0769A
Project Implementing Agency/Entity: Directorate General of Human Settlements (Direktorat Jenderal Cipta Karya), Ministry of Public Works (Kementerian Pekerjaan Umum), in coordination with the Ministry of Home Affairs and the Ministry of Health

1. The Government of the Republic of Indonesia (the Borrower) has received financing in the amount of EUR127.937.000 from the Asian Infrastructure Investment Bank (AIIB or the Bank), together with co-financing of US$ 40.000.000 from the Alliance to End Plastic Waste (AEPW) through AIIB's Project-Specific Window (PSW) for the Solid Waste Management for Sustainable Urban Development (SWM-SUD) Project. It intends to apply part of the proceeds to payments for goods, works, non-consulting services and consulting services to be procured under this project.

2. The project will include the following components:

a) Component 1. Provision of Solid Waste Infrastructure. This component will finance priority solid waste infrastructure, including waste treatment facilities, upgrades to existing landfills, residual landfills, and related equipment. It will also support construction supervision.
b) Component 2. Institutional Strengthening and Community Participation. This component will strengthen local government capacity and community participation in solid waste management through institutional improvements, public awareness and training, and the preparation or enhancement of solid waste management master plans.
c) Component 3. Support for SWM and Circular Economy Initiatives. This component will support improvements in waste segregation, collection and transportation services, as well as eligible solid waste management and circular economy initiatives by local governments and communities.
d) Component 4. Implementation Support. This component will support project implementation, including project management, procurement, financial management, monitoring and evaluation, environmental and social management to the CPMU and CPIUs.

Procurement under the Project will include:

- Construction of waste treatment facilities/ upgrades to existing landfills/ residual landfills,
- Construction supervision,
- Technical assistance for institutional improvements in solid waste management,
- Technical assistance for community participation in solid waste management,
- Consultant for preparation/ enhancement of solid waste management master plans,
- National Project Management Consultant (NPMC),
- National Monitoring Team (NMT), and
- Other related goods and non-consulting services.

3. Procurement of contracts financed by the Bank will be conducted through the procedures as specified in the Bank's Directive on Procurement Instructions for Recipients (PIR, July 26, 2024) (https://www.aiib.org/en/policies-strategies/_download/operational-directive/AIIB-Directive-on-Procurement-Instructions-for-Recipients-July-26-2024.pdf), and is open to all eligible firms and individuals as defined in the PIR.

4. Specific procurement notices for contracts subject to open international competitive procurement will be announced, as they become available, on the Bank's external website (https://www.aiib.org/en/projects/details/2025/approved/Indonesia-Solid-Waste-Management-for-Sustainable-Urban-Development-Project.html) and the Bank's procurement opportunities webpage (https://www.aiib.org/en/opportunities/business/project-procurement/list.html), and the website of the Directorate General of Human Settlements, Ministry of Public Works (https://ciptakarya.pu.go.id/), as well as the project website (https://swm-sud.web.id/).

5. Interested eligible firms and individuals who would wish to be considered for the provision of goods, works, non-consulting services and consulting services for the above-mentioned project, or those requiring additional information, should contact the project implementing agency/entity at the address below.
