<b>Environmental and Social Category</b>	FI
<b>Environmental and Social Information</b>	<p><b>Applicable Policy and Categorization:</b> AIIB's Environmental and Social Policy (ESP), including the Environmental and Social Standard 1 (ESS 1) and Environmental and Social Exclusion List (ESEL) is applicable to this project. The project is under the approved <a href="#">P000623 AIIB Venture Capital Program for Green and Technology-Enabled Infrastructure</a>. The Fund will exclude all Category A sub-projects and any investments that may trigger ESS 2 (Land Acquisition and Involuntary Resettlement) and ESS 3 (Indigenous Peoples). The project is Category FI, as the financing structure involves the provision of capital to the Fund Manager pursuant to which AIIB delegates the decision-making related to the Fund on investments that meet the conditions of the investment guidelines.</p> <p><b>Environment and Social instruments.</b> The Fund's Environmental and Social Management System (ESMS) sets out policies and procedures for the selection, appraisal, approval, and monitoring of investments, which will be enhanced to align with AIIB ESP requirements and the Interim Guidance Note on ESG Assessment for VC program. The Fund Manager has agreed to (a) meet AIIB's ESP requirements, including AIIB's ESEL, (b) meet the member's environmental and social (E&amp;S) laws and regulations, (c) exclude all Category A investment and any investments that may trigger ESS 2 on Land Acquisition and Involuntary Resettlement, and ESS 3 on Indigenous Peoples. Any higher-risk Category B subprojects proposed for financing will be subjected to the Bank's prior review. The ESMS will be updated, enhanced, and implemented before the first capital call with continuous monitoring.</p> <p><b>Environmental and Social Aspects.</b> The key E&amp;S risks and impacts include waste generation and disposal, increased energy consumption, data protection, consumer protection and labor and working conditions arising from new technologies. The overall E&amp;S risk nature of the VC Funds is inherently low. For all Higher Risk Activities proposed for Bank financing, the Bank requires each VC Fund to furnish its detailed E&amp;S due diligence for the Bank's prior review and approval. As a Limited Partner (LP) to the VC fund, AIIB may exercise excusing rights on any investment which does not meet AIIB E&amp;S requirements or internal policies. The Fund's ESMS contains a commitment to gender diversity supplemented by relevant indicators, with the aim to ensure full and effective participation of women across levels. The Fund itself maintains a strong gender balance with 53% women on the team and endeavors to build a safe and respectful workplace through mandatory trainings on prevention of sexual harassment at the workplace.</p>

	<p><b>Occupational Health and Safety, and Labor and Working Conditions:</b> On labor and working conditions, the Fund is committed to complying in material respects with applicable occupational health and safety regulations of the territory where the Fund operates. The Fund’s ESMS includes a commitment to avoid any investments in activities on their Exclusion List, including those on labor and working conditions. In case of any renewable energy investments, the Fund commits to proportionate requirements on supply chain due diligence.</p> <p><b>Stakeholder Engagement, Consultation and Information Disclosure:</b> The Fund commits to transparently communicating its sustainability efforts to its stakeholders. Including the sharing of E&amp;S performance reports, periodic consultations, surveys and ESG workshops with identified stakeholders. The Fund Manager is committed to publishing (a) a summarized enhanced ESMS and (b) the name, location, and sectors of the investments, within 12 months following financial close on its website. For selected Category B investments, the Fund Manager will be required to disclose annual E&amp;S documentation during the preceding 12 months, unless such disclosure is subject to the member’s regulatory requirements, market sensitivities or consent of the sponsor.</p> <p><b>Project Grievance Redress Mechanism (GRM):</b> The Fund has agreed to establish a GRM, scaled to the risks and impacts of the VC nature, to provide a channel for all affected parties to submit their grievances on E&amp;S matters of the Fund and its portfolio companies. The Fund will also require its portfolio companies to establish and appropriately disclose a functional grievance mechanism. Disclosure of the GRM and the Project-affected People’s Mechanism (PPM) on the Fund’s website will be conditions precedent to the first disbursement</p> <p><b>Monitoring and Reporting Arrangement.</b> During project implementation, AIIB will require submission of relevant E&amp;S documentation and E&amp;S monitoring reports from the Fund in an agreed format. AIIB will conduct post-reviews of the selection and implementation of investments as part of its regular supervision, comprising engagement with the Fund, potential site visits, and detailed review of the E&amp;S documentation of selected investments.</p>
