

## **REQUEST FOR EXPRESSIONS OF INTEREST (REOI)**

### **(CONSULTING SERVICES – FIRMS SELECTION)**

**Republic of Türkiye**

**Istanbul North Rail Crossing Project (INRAIL)**

**Loan No. 9943-TR**

**Assignment Title:** Construction Supervision Consultant for Civil Works under Istanbul North Rail Crossing Project

**Reference No.** (as per Procurement Plan): AYGM-INRAIL-2025-DAN 01

1. The Republic of Türkiye is expected to receive financing from the World Bank for the implementation of the Istanbul North Rail Crossing Project (“INRAIL” or the “Project”). The Project will be implemented by the Ministry of Transport and Infrastructure (MoTI). The Project is expected to be financed jointly by the Asian Infrastructure Investment Bank, the Asian Development Bank, the European Bank of Reconstruction and Development, Islamic Development Bank, and the OPEC Fund for International Development (the “Co-Financiers”, and together with the World Bank, the “Financiers”). The MoTI intends to apply part of the proceeds of the financing to the hiring of consulting services to support project implementation.

2. The consulting services (“the Services”) include reviewing and evaluating contractors’ designs to ensure compliance with the Employer’s Requirements and applicable technical standards, and supervising multiple railway construction contracts (awarded separately under lots) covering civil works including electrification, as well as one contract for signaling and telecommunication. For the civil contracts, implemented under FIDIC Conditions of Contract for Plant and Design-Build, second edition 2017 reprinted 2022 with amendments (the “Yellow Book”), the Consultant will serve as the "Engineer." The signaling and telecommunication contract will be implemented under the contract conditions of the World Bank’s Standard Procurement Document for Plant Design, Supply and Installation (DSI), March 2025. The scope of the services further covers, inter alia: (i) schedule, quality, and cost management; (ii) claims administration; (iii) coordinated reporting across all civil packages and signaling works for the whole line; and (iv) ensuring compliance with all applicable Environmental, Social, Health and Safety (ESHS) requirements.

3. The detailed Terms of Reference (TOR) for the assignment can be found on the following website:

<https://aygm.uab.gov.tr/ihaleler>

4. The MoTI now invites eligible consulting firms (“Consultants”) to indicate their interest in providing the Services. Interested Consultants should provide information demonstrating that they have the required qualifications and relevant experience to perform the Services.

5. A consulting firm is allowed to submit the Expression of Interest (EOI) alone if it considers itself to be fully qualified on its own for the assignment, as it is not mandatory for consultants to associate

with any other firm(s), whether foreign or local. Alternatively, if consultants themselves choose to associate to enhance their qualifications and capability for the assignment, then such associations may either be in the form of a Joint Venture (i.e. all members of the joint venture shall be jointly and severally responsible) and/or with sub-consultants (i.e. the Consultant will be responsible, including for the services of the sub-consultant). In case of an association, the Consultants must explain in the EOI submission (a) the rationale for forming the association and (b) the anticipated role and relevant qualifications of each member of the Joint Venture and/or of each sub-consultant for carrying out the assignment, to justify the proposed inclusion of the JV members and/or sub-consultants in the association. Failure to provide the above explanation in the EOI may result in the association not being shortlisted for the assignment. Please note that in the evaluation of EOIs of associations for shortlisting purposes, only the qualifications of the JV members will be taken into account whereas the qualifications of proposed sub-consultants will not be considered.

6. Experience that is specifically relevant to the assignment will be of central importance in the evaluation of the Consultants against the selection criteria. The selection criteria are as follows:

**i) General Experience of the Consultant (as a firm) in providing transport engineering consulting services**

- The Consultant should have been in the transport engineering consulting business for no less than **10 years** prior to deadline for submission of EOIs.

**ii) Specific Experience of the Consultant (as a firm) relevant to the assignment.** This refers to experience providing similar services under contracts of comparable nature and size. The Consultants (as a firm) should have specific experience providing similar consulting services under contracts completed within the **last 10 years** prior to deadline for submission of EOIs in the following:

- Design and/or design review of railway construction works (such as mainline railway or metro) including electrification, signalization and telecommunication systems and,
- Supervision of railway construction works (such as mainline railway or metro) and,
- Supervision of linear construction works implemented under FIDIC Contract Conditions.

7. To demonstrate their qualifications and experience in meeting the above shortlisting/selection criteria, consultants are requested to submit, at a minimum, the supporting documentation listed below. A consultant firm can only use its own qualifications and experience and not those of its parent, sister or subsidiary companies or its employees.

1. The firm's incorporation/trade/registration documents issued by the concerned government authority of the country of the firm.
2. The firm's brochures including the core areas of business; and
3. Completed Form-1 (attached to this Request for Expression of Interest) to provide information of similar contracts. **(A maximum of 15 similar contracts will be taken into consideration as listed and numbered by the Bidders in accordance with attached Form-**

**1).** This should include the name and reference number of the contract, brief description of the scope of work, contract amount, period of the contract, name of the client and country of assignment, and role of the Consultant in the contract. Copies of completion certificates/references of Clients of completed contracts are not required to be submitted with the EoI. In the subsequent stage at the time of submission of proposals, the Client may request the shortlisted consultants to submit such supporting completion certificates. **The information related to the references provided in Form-1 must be completed in full and accurately; otherwise, incomplete or insufficient information will not be taken into consideration.**

8. Interested consultants should refer to paragraphs 3.16 & 3.17 of the World Bank's Procurement Regulations for IPF Borrowers: Procurement in Investment Project Financing (Goods, Works, Non-Consulting and Consulting Services) setting forth the World Bank's policy on conflict of interest.

9. The Consultant will be selected in accordance with the QCBS method set out in the Procurement Regulations.

10. Further information can be obtained at the address below during office hours 09:00 to 17:00 hours (Türkiye time).

11. Expressions of Interest must be delivered in written form either (a) as hardcopy plus a USB drive containing electronic copy in searchable PDF format delivered to the address below (in person, by mail or by courier), or (b) an electronic copy in searchable PDF format delivered via e-mail to the email address below by **May 6, 2026, until 14:30 hours (Türkiye time)**.
