SPN Reference/Tender No.: TCDD.DMB-3
Tender Document Issued On: October 23, 2026

1. The General Directorate of Turkish State Railways (TCDD) has received financing from the Asian Infrastructure Investment Bank (AIIB or the Bank) toward the cost of the TCDD Railway Maintenance Modernization Project and intends to apply part of the proceeds toward payments under the contract named above.

2. The General Directorate of Turkish State Railways (TCDD) now invites sealed Tenders from eligible Tenderers for the procurement of 7 pcs. of Ballast Regulator. The Goods shall be delivered within twelve (12) to thirty-six (36) months following the date of the signing of the Contract, as specified in Section VII of the Tender Document, and the Related Services shall be completed within thirty-six (36) months. The Final Destinations (Project Sites) are the TCDD Regional Directorates' Track Mechanical Workshop Directorates specified in the Tender Data Sheet (TDS) of the Tender Document. Provisions for development of domestic industry (a margin of domestic preference) shall apply and are detailed in Section III of the Tender Document.

3. Qualification requirements include:
   After determining the substantially responsive Tender which offers the lowest-evaluated cost in accordance with ITT 34, and, if applicable, the assessment of any Abnormally Low-Priced Tender (in accordance with ITT 36), the Purchaser shall carry out the post-qualification of the Tenderer in accordance with ITT 37, using only the requirements specified. Requirements not included in the text below shall not be used in the evaluation of the Tenderer's qualifications.

   (a) **Financial Capability**: The Tenderer shall submit audited financial statements or, if not required by the law of the Tenderer's country, other financial statements acceptable to the Purchaser, for the last five (5) years (2021-2025) prior to Tender submission deadline, demonstrating the current soundness of the Tenderer's financial position. For a joint venture, this requirement shall be met by each member.

(b) **Specific Experience**: The Tenderer shall demonstrate that, within the last six (6) years prior to the Tender submission deadline, it has successfully completed either: (i) one (1) similar contract with a minimum value of EUR 10,000,000.00; or (ii) multiple similar contracts, each with a minimum value of EUR 1,000,000.00 and with a combined total value of at least EUR 10,000,000.00. Similar contracts include those involving the supply of locomotives, wagons, railway maintenance machines, or track inspection and measurement machines operating on high-speed or conventional railway lines or metro lines. If the contract value is not in the specific currency, the exchange rate to be used to calculate the value of the contract shall be the selling rate of the Central Bank of the Republic of Türkiye on the date of the contract signing.

In the case of a joint venture, this requirement shall be met either solely by the lead member or by all members collectively.

(c) **Manufacturing Experience and Technical Capacity**: For the items under the Contract that the Tenderer is a manufacturer, the Tenderer shall furnish documentary evidence to demonstrate that:

(i) it has manufactured at least one (1) ballast regulator of similar nature and complexity during the last three (3) years prior to the Tender submission deadline; and

(ii) its cumulative production capacity for ballast regulator of similar nature and complexity during the last three (3) years prior to the Tender submission deadline, is at least one (1) time the quantity specified under the contract.

(d) **Manufacturer's authorization:** A Tenderer who does not manufacture an item/s where a manufacturer authorization is required in accordance with TDS ITT 17.2 (a), the Tenderer shall provide evidence of being duly authorized by a manufacturer (Manufacturer's Authorization Form, Section IV, Tender Forms), meeting the criteria in (c) (i) and (ii) above, to supply the Goods.

More detailed requirements are provided in the Tender Document.
