This Information Memorandum replaces and supersedes in its entirety the information memorandum dated 20 December 2018 published by the Issuer. Under the Programme, the Issuer may issue Notes outside the United States pursuant to Regulation S (“Regulation S”) of the United States Securities Act of 1933, as amended (the “Securities Act”). The Issuer has, pursuant to an amended and restated dealer agreement dated 25 July 2022 (the “Dealers Agreement”), appointed Goldman Sachs International as arranger for the Programme (the “Arranger”), appointed Bank of America Europe DAC, Barclays Bank PLC, Citigroup Global Markets Limited, Goldman Sachs International and NatWest Markets Plc as dealers for the Notes (together with any further dealers appointed under the Programme from time to time pursuant to the Dealer Agreement) (the “Dealers”) and authorised and requested the Dealers to circulate this Information Memorandum in connection with the Programme on its behalf to purchasers or potential purchasers of the Notes. In accordance with the Short-Term European Paper (STEP) Initiative, the Programme has been submitted to the STEP Secretariat in order to apply for the STEP label in respect of Notes to be issued with a maturity of not more than 364 days from and including the date of issue to but excluding the maturity date. The status of STEP compliance of the Programme can be determined from the STEP market website (www.stepmarket.org).

THE NOTES HAVE NOT BEEN AND WILL NOT BE REGISTERED UNDER THE SECURITIES ACT OR ANY U.S. STATE SECURITIES LAWS AND MAY NOT BE OFFERED, SOLD OR DELIVERED WITHIN THE UNITED STATES OR TO, OR FOR THE ACCOUNT OR BENEFIT OF, U.S. PERSONS (AS DEFINED IN REGULATION S) (“U.S. PERSONS”) UNLESS AN EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT IS AVAILABLE AND IN ACCORDANCE WITH ALL APPLICABLE SECURITIES LAWS OF ANY STATE OF THE UNITED STATES AND ANY OTHER JURISDICTION.

The Notes have not been approved or disapproved by the United States Securities and Exchange Commission or any other securities commission or other regulatory authority in the United States, nor have the foregoing authorities approved this Information Memorandum or confirmed the accuracy or determined the adequacy of the information contained in this Information Memorandum. Any representation to the contrary is unlawful.

The Issuer has confirmed to the Arranger and the Dealers that the information contained or incorporated by reference in this Information Memorandum is true and accurate in all material respects and not misleading and that there are no other facts the omission of which makes this Information Memorandum as a whole or any such information contained or incorporated by reference herein misleading in any material respect.

None of the Issuer, the Arranger or the Dealers accept any responsibility, express or implied, for updating this Information Memorandum and neither the delivery of this Information Memorandum nor any offer or sale made on the basis of the information in this Information Memorandum shall under any circumstances create any implication that this Information Memorandum is accurate at any time subsequent to the date hereof with respect to the Issuer or that there has been no change in the business, financial condition or affairs of the Issuer since the date hereof.

No person is authorised by the Issuer to give any information or to make any representation not contained in this Information Memorandum and any information or representation not contained herein must not be relied upon as having been authorised.
Neither the Arranger nor any Dealer has independently verified the information contained in this Information Memorandum. Accordingly, no representation or warranty or undertaking (express or implied) is made, and no responsibility or liability is accepted by the Arranger or the Dealers as to the authenticity, origin, validity, accuracy or completeness of, or any errors in or omissions from, any information or statement contained in this Information Memorandum or in or from any accompanying or subsequent material or presentation.

The information contained in this Information Memorandum is not and should not be construed as a recommendation by the Arranger, the Dealers or the Issuer that any recipient should purchase the Notes. Each such recipient must make and shall be deemed to have made its own independent assessment and investigation of the financial condition, affairs and creditworthiness of the Issuer and of the Programme as it may deem necessary and must base any investment decision upon such independent assessment and investigation and not on this Information Memorandum.

Neither the Arranger nor any Dealer undertakes to review the business or financial condition or affairs of the Issuer during the life of the Programme, nor undertakes to advise any recipient of this Information Memorandum of any information or change in such information coming to the Arranger’s or any Dealer’s attention.

The distribution of this Information Memorandum and any offering or sale of the Notes is not a waiver, renunciation or other modification by the Issuer or by any of its Governors, Directors, Alternate Governors, Alternate Directors, the President, Vice-Presidents and other officers or employees of any of the rights, status, immunities, privileges or exemptions conferred upon any of them by the Issuer’s articles of agreement (the “Articles of Agreement”), all of the Issuer’s basic documents, any applicable law or international practice, all of which are hereby expressly reserved.

For these purposes, a rate that is formally recommended by a relevant central bank, reserve bank, monetary authority, a group of the aforesaid central banks, monetary authority or supervisory authority, or any similar institution (including any committee or working group thereof) for the currency to which the Reference Rate relates or any supervisory authority which is responsible for supervising the administrator of the Reference Rate will be considered an industry accepted successor rate.

It is further specified that if there is two or more industry successor rates recommended by the above-mentioned authority, institution or working groups, the Reference Rate Determination Agent shall determine which of those successor rates is most
appropriate, having regard to, *inter alia*, the particular features of the relevant Notes and the nature of the Issuer. If the Reference Rate Determination Agent has determined a substitute or successor rate in accordance with the foregoing (such rate, the “Replacement Reference Rate”), for purposes of determining the Reference Rate on each Interest Determination Date falling on or after such determination, but not earlier than the actual discontinuation of the Reference Rate (i) the Reference Rate Determination Agent will also determine without the prior consent or approval of the holders changes (if any) to the business day convention, the definition of business day, the interest determination date, the day count fraction, and any method for obtaining the Replacement Reference Rate, including any adjustment factor needed to make such Replacement Reference Rate comparable to the Reference Rate, in each case in a manner that is consistent with industry-accepted practices for such Replacement Reference Rate; (ii) references to the Reference Rate in the relevant Note will be deemed to be references to the Replacement Reference Rate, including any alternative method for determining such rate as described in (i) above; (iii) the Reference Rate Determination Agent will notify the Issuer of the foregoing as soon as reasonably practicable; and (iv) the Issuer will give notice no later than ten (10) Business Days prior to the relevant Interest Determination Date to the holders and the Calculation Agent specifying the Replacement Reference Rate, as well as the details described in (i) above.

(f) The determination of the Replacement Reference Rate and the other matters referred to above by the Reference Rate Determination Agent will (in the absence of manifest error, wilful default or fraud) be final and binding on the Issuer, the Calculation Agent and the holder of this Global Note, unless the Issuer considers at a later date that the Replacement Reference Rate is no longer substantially comparable to the Reference Rate or does not constitute an industry accepted successor rate, in which case the Issuer shall re-appoint a Reference Rate Determination Agent (which may or may not be the same entity as the original Reference Rate Determination Agent) for the purpose of confirming the Replacement Reference Rate or determining a substitute Replacement Reference Rate in an identical manner as described in paragraph 13(e) above, which will then (in the absence of manifest error, wilful default or fraud) be final and binding on the Issuer, the Calculation Agent and the holder of this Global Note. If the Reference Rate Determination Agent is unable to or otherwise does not determine a substitute Replacement Reference Rate, then the last known Replacement Reference Rate will remain unchanged. No consent of the holder of this Global Note shall be required in connection with effecting the Replacement Reference Rate or such other changes pursuant to paragraph 13(e) and this paragraph 13(f).

Such amendments shall not impose more onerous obligations on the party responsible for determining the Rate of Interest or expose it to any additional duties or liabilities unless such party consent.

Notwithstanding any other provision of paragraph 13(e), if in the Calculation Agent’s opinion there is any uncertainty between two or more alternative courses of action in making any determination or calculation under paragraph 13(e), the Calculation Agent shall promptly notify the Issuer thereof and the Issuer shall direct the Calculation Agent in writing as to which alternative course of action to adopt. If the Calculation Agent is not promptly provided with such direction, or is otherwise unable to make such calculation or determination for any reason, it shall notify the Issuer thereof and the Calculation Agent shall be under no obligation to make such calculation or determination and shall not incur any liability for not doing so.

(g) Notwithstanding any other provision of paragraph 13(e) or (f), (i) if the Issuer is unable to appoint a Reference Rate Determination Agent or (ii) if the Reference Rate
Determination Agent is unable to or otherwise does not determine for any Interest Determination Date a Replacement Reference Rate before the Interest Determination Cut-off Date or unable to provide notice to the Paying Agent and the Calculation Agent of a Replacement Reference Rate ten (10) Business Days prior to the Interest Determination Date, no Replacement Reference Rate will be adopted, and the Relevant Screen Page on which appears the Reference Rate for the relevant Interest Accrual Period will be equal to the last Reference Rate available on the Relevant Screen Page as determined by the Calculation Agent.

(h) The Reference Rate Determination Agent may be (i) a leading bank or a broker-dealer in the principal financial centre of the Specified Currency as appointed by the Issuer, (ii) the Issuer or an affiliate of the Issuer (but in which case any such determination shall be made in consultation with an independent financial adviser), (iii) the Calculation Agent or (iv) any other entity which the Issuer considers has the necessary competences to carry out such role.

(i) “Benchmark Event” means with respect to an original Reference Rate:

(i) the original Reference Rate ceasing to exist or be published permanently or indefinitely;

(ii) the making of a public statement by or on behalf of the administrator of the original Reference Rate that it has ceased or will, on or before a specified date, cease publishing the original Reference Rate permanently or indefinitely (in circumstances where no successor administrator has been appointed that will continue publication of the original Reference Rate);

(iii) the making of a public statement by the supervisor of the administrator of the original Reference Rate that the original Reference Rate will, on or before a specified date, be permanently or indefinitely discontinued;

(iv) the making of a public statement by the supervisor of the administrator of the original Reference Rate, the central bank for the above-mentioned Specified Currency of the original Reference Rate, an insolvency official with jurisdiction over the administrator of the original Reference Rate, a resolution authority with jurisdiction over the administrator of the original Reference Rate or a court or an entity with similar insolvency or resolution authority over the administrator of the original Reference Rate, which states that the administrator of the original Reference Rate has ceased or will cease to publish the original Reference Rate permanently or indefinitely (in circumstances where no successor administrator has been appointed that will continue publication of the original Reference Rate);

(v) the making of a public statement by the supervisor of the administrator of the original Reference Rate that means the original Reference Rate will be prohibited from being used or that its use will be subject to restrictions or adverse consequences that would not allow its further use in respect of the Notes, in each case by a date specified within the following six months;

(vi) a public statement by the supervisor of the administrator of the original Reference Rate or that, in the view of such supervisor, such original Reference Rate is no longer representative of, or will no longer be representative of, an underlying market and such representativeness will not be restored (as determined by such supervisor) or the methodology to calculate such original Reference Rate has materially changed;
(vii) it has or will prior to the next relevant Interest Determination Date become unlawful or otherwise become prohibited for the Issuer or the Calculation Agent to calculate any payments due to be made to any holder using the original Reference Rate (including, without limitation, under the Benchmarks Regulation (Regulation (EU) 2016/1011) as amended, varied, superseded or substituted from time to time (the “EU Benchmarks Regulation”) or Article 36 of Regulation (EU) 2016/1011 as it forms part of UK domestic law by virtue of the European Union (Withdrawal) Act 2018 as amended, varied, superseded or substituted from time to time, if applicable); or

(viii) a decision to withdraw the authorisation or registration pursuant to Article 35 of the EU Benchmarks Regulation or the UK Regulation as applicable of any benchmark administrator previously authorised to publish such original Reference Rate has been adopted,

provided that, in the case of sub-paragraphs (ii)-(iv), the Benchmark Event shall occur on the date of the cessation of publication of the Reference Rate, its discontinuation or on the date of prohibition of use of the Reference Rate, as applicable, and not the date of the relevant public statement.

“Interest Determination Cut-off Date” means the date which falls fifteen (15) calendar days before the end of the Interest Period relating to the Interest Determination Date in respect of which the provisions of paragraphs 13(e) to 13(i) above shall be applied by the Issuer.

14. If this is a floating rate interest bearing Global Note, the following provisions will be applicable:

(a) a certificate of the Calculation Agent as to the Rate of Interest payable hereon for any Interest Period (as defined below) shall be conclusive and binding as between the Issuer and the bearer hereof;

(b) the period beginning on (and including) the Issue Date and ending on (but excluding) the first Interest Payment Date and each successive period beginning on (and including) an Interest Payment Date and ending on (but excluding) the next succeeding Interest Payment Date is called an “Interest Period” for the purposes of this paragraph;

(c) the Issuer will procure that a notice specifying the Rate of Interest payable in respect of each Interest Period be published as soon as practicable after the determination of the Rate of Interest. Such notice will be delivered to the clearing system(s) in which this Global Note is held at the relevant time or, if this Global Note has been exchanged for bearer definitive Notes pursuant to paragraph 7, will be published in a leading English language daily newspaper published in London (which is expected to be the Financial Times); and

(d) if the provisions of this Note require the Calculation Agent (where the Issuer is not the Calculation Agent) to exercise discretion in order to perform its duties hereunder, then such reference shall be construed as a reference to the Issuer exercising such discretion and instructing the Calculation Agent who shall act accordingly and the Calculation Agent will be entitled to refrain from taking any action until so instructed.

15. If the proceeds of this Global Note are accepted in the United Kingdom, the Nominal Amount shall be not less than £100,000 (or the equivalent in any other currency).

16. Instructions for payment must be received at the office of the Issue and Paying Agent referred to above together with this Global Note as follows:

(b) if this Global Note is denominated in United States dollars, Canadian dollars, Swiss francs, euro or Sterling, at least one Business Day prior to the relevant payment date; and

(c) in all other cases, at least two Business Days prior to the relevant payment date.

As used in this paragraph, “Business Day” means:

(i) a day other than a Saturday or Sunday on which commercial banks are open for general business (including dealings in foreign exchange and foreign currency deposits) in London; and

(ii) in the case of payments in euro, a TARGET2 Business Day, in the case of payments in Renminbi a day on which commercial banks are open for general business (including clearing and settlement of Renminbi) in Hong Kong, China and, in all other cases, a day on which commercial banks are open for general business (including dealings in foreign exchange and foreign currency deposits) in the principal financial centre in the country of the Specified Currency.

(b) Subject to paragraph 19(h), any dispute, controversy or claim arising out of or relating to this Global Note, including the existence, validity, performance, breach or termination thereof (including a dispute regarding non-contractual obligations arising out of or relating to this Global Note), shall be referred to and finally resolved by arbitration administered by the Hong Kong International Arbitration Centre under the UNCITRAL Arbitration Rules in force when the Notice of Arbitration is submitted (the “UNCITRAL Rules”), as modified by the HKIAC Procedures for the Administration of Arbitration under the UNCITRAL Rules (the “HKIAC Procedures”). These dispute resolution provisions shall also be governed by and construed in accordance with English law. Hong Kong law will be the procedural law of any arbitration hereunder.

In the event SOFR is no longer an active interest rate, the Issuer shall elect a suitable replacement interest rate.

(f) The arbitral tribunal shall not be authorised to grant, and no holder of Notes shall seek from any judicial authority, any interim measures or pre-award or emergency relief against the Issuer, notwithstanding any provisions of the UNCITRAL Rules to the contrary.

(g) At the election of the Issuer, any further dispute, controversy or claim which arises out of this Global Note shall be consolidated with any ongoing proceedings before the arbitral tribunal, but no other party shall be joined to, and no other disputes, controversies or claims shall be consolidated with, such on-going proceedings before the arbitral tribunal.

(h) Notwithstanding the provisions of this paragraph 19, nothing contained in this Global Note shall operate or be regarded as a waiver, renunciation or other modification by the Issuer of any status, immunities, privileges or exemptions of the Issuer under its Articles of Agreement, all of its basic documents, any applicable law or international practice.

20. No person shall have any right to enforce any provision of this Global Note under the Contracts (Rights of Third Parties) Act 1999 but this does not affect any right or remedy of any person which exists or is available apart from that Act.

If the €STR reference rate is not published, as specified above, on any particular TARGET Business Day and no €STR Index Cessation Event (as defined below) has occurred, the €STR reference rate for such TARGET Business Day shall be the rate equal to €STR in respect of the last TARGET Business Day for which such rate was published on the Website of the European Central Bank.

If the €STR reference rate is not published, as specified above, on any particular TARGET Business Day and both an €STR Index Cessation Event and an €STR Index Cessation Effective Date have occurred, then the €STR reference rate for each TARGET Business Day in the relevant €STR Observation Period occurring on or after such €STR Index Cessation Effective Date will be determined as if references to the €STR reference rate were references to the ECB Recommended Rate.

If no ECB Recommended Rate has been recommended before the end of the first TARGET Business Day following the date on which the €STR Index Cessation Event occurs, then the €STR reference rate for each TARGET Business Day in the relevant €STR Observation Period occurring on or after the €STR Index Cessation Effective Date will be determined as if references to the €STR reference rate were references to the Modified EDFR.

If an ECB Recommended Rate has been recommended and both an ECB Recommended Rate Index Cessation Event and an ECB Recommended Rate Index Cessation Effective Date subsequently occur, then the rate of €STR for each TARGET Business Day in the relevant €STR Observation Period occurring on or after that ECB Recommended Rate Index Cessation Effective Date will be determined as if references to the €STR reference rate were references to the Modified EDFR.

Any substitution of the €STR by the ECB Recommended Rate or the Modified EDFR, as specified above, will remain effective for the remaining term to maturity of this Note.
In the event that the Rate of Interest cannot be determined in accordance with the foregoing provisions by the Calculation Agent, (i) the Rate of Interest shall be that determined as at the last preceding Interest Determination Date, (ii) if there is no such preceding Interest Determination Date, the Rate of Interest shall be determined as if the €STR reference rate for each TARGET Business Day in the relevant €STR Observation Period occurring on or after such €STR Index Cessation Effective Date were references to the latest published ECB Recommended Rate or, if EDFR is published on a later date than the latest published ECB Recommended Rate, the Modified EDFR or (iii) if there no such preceding Interest Determination Date and there is no published ECB Recommended Rate or Modified EDFR available, as if the €STR reference rate for each TARGET Business Day in the €STR Observation Period on or after such €STR Index Cessation Effective Date were references to the latest published €STR.

Any determination, decision or election that may be made by the Calculation Agent pursuant to this provision, including any determination with respect to a rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, (i) will be conclusive and binding absent manifest error, (ii) will be made in the Calculation Agent’s sole discretion, and (iii) shall become effective without consent from the holders of this Note or any other party.

For the purpose of these paragraphs:

“ECB Recommended Rate” means a rate (inclusive of any spreads or adjustments) recommended as the replacement for €STR by the European Central Bank (or any successor administrator of €STR) and/or by a committee officially endorsed or convened by the European Central Bank (or any successor administrator of €STR) for the purpose of recommending a replacement for €STR (which rate may be produced by the European Central Bank or another administrator), as determined by the Issuer and if the Calculation Agent is not the Issuer notified by the Issuer to the Calculation Agent;

“ECB Recommended Rate Index Cessation Effective Date” means, in respect of an ECB Recommended Rate Index Cessation Event, the first date on which the ECB Recommended Rate is no longer provided, as determined by the Issuer and notified by the Issuer to the Calculation Agent;

“ECB Recommended Rate Index Cessation Event” means the occurrence of one or more of the following events, as determined by the Issuer and if the Calculation Agent is not the Issuer, notified by the Issuer to the Calculation Agent:

(A) a public statement or publication of information by or on behalf of the administrator of the ECB Recommended Rate announcing that it has ceased or will cease to provide the ECB Recommended Rate permanently or indefinitely, provided that, at the time of the statement or the publication, there is no successor administrator that will continue to provide the ECB Recommended Rate; or

(B) a public statement or publication of information by the regulatory supervisor for the administrator of the ECB Recommended Rate, the central bank for the currency of the ECB Recommended Rate, an
insolvency official with jurisdiction over the administrator of the ECB Recommended Rate, a resolution authority with jurisdiction over the administrator of the ECB Recommended Rate or a court or an entity with similar insolvency or resolution authority over the administrator of the ECB Recommended Rate, which states that the administrator of the ECB Recommended Rate has ceased or will cease to provide the ECB Recommended Rate permanently or indefinitely, provided that, at the time of the statement or publication, there is no successor administrator that will continue to provide the ECB Recommended Rate;

“ECB €STR Guideline” means Guideline (EU) 2019/1265 of the European Central Bank of 10 July 2019 on the euro short-term rate (€STR) (ECB/2019/19), as amended from time to time;

“EDFR” means the Eurosystem Deposit Facility Rate, the rate on the deposit facility, which banks may use to make overnight deposits with the Eurosystem (comprising the European Central Bank and the national central banks of those countries that have adopted the Euro) as published on the Website of the European Central Bank;

“EDFR Spread” means:

(A) if no ECB Recommended Rate is recommended before the end of the first TARGET Business Day following the date on which the €STR Index Cessation Event occurs, the arithmetic mean of the daily difference between the €STR and the EDFR for each of the thirty TARGET Business Days immediately preceding the date on which the €STR Index Cessation Event occurred; or

(B) if an ECB Recommended Rate Index Cessation Event occurs, the arithmetic mean of the daily difference between the ECB Recommended Rate and the EDFR for each of the thirty TARGET Business Days immediately preceding the date on which the ECB Recommended Rate Index Cessation Event occurred;

“€STR Index Cessation Effective Date” means, in respect of an €STR Index Cessation Event, the first date on which €STR is no longer provided by the European Central Bank (or any successor administrator of €STR), as determined by the Issuer and notified by the Issuer to the Calculation Agent;

“€STR Index Cessation Event” means the occurrence of one or more of the following events, as determined by the Issuer and notified by the Issuer to the Calculation Agent:

(A) a public statement or publication of information by or on behalf of the European Central Bank (or any successor administrator of €STR) announcing that it has ceased or will cease to provide €STR permanently or indefinitely, provided that, at the time of the statement or the publication, there is no successor administrator that will continue to provide €STR; or

(B) a public statement or publication of information by the regulatory supervisor for the administrator of €STR, the central bank for the currency of €STR, an insolvency official with jurisdiction over the administrator of €STR, a resolution authority with jurisdiction over the
administrator of €STR or a court or an entity with similar insolvency or resolution authority over the administrator of €STR, which states that the administrator of €STR has ceased or will cease to provide €STR permanently or indefinitely, provided that, at the time of the statement or publication, there is no successor administrator that will continue to provide €STR;

“Modified EDFR” means a reference rate equal to the EDFR plus the EDFR Spread; and

(d) the Calculation Agent will, as soon as practicable on the relevant Interest Determination Date, determine the Rate of Interest and calculate the amount of interest payable (the “Amount of Interest”) for the relevant Interest Period. “Rate of Interest” means the rate which is determined in accordance with the applicable provisions of paragraph 8. The Amount of Interest shall be calculated by applying the Rate of Interest to the Nominal Amount, multiplying such product by the actual number of days in the Interest Period concerned divided by 360 or, if this Note is denominated in Sterling, by 365 and rounding the resulting figure to the nearest amount of the above-mentioned Specified Currency which is available as legal tender in the country or countries (in the case of the euro) of the Specified Currency (with halves being rounded upwards). The determination of the Rate of Interest and the Amount of Interest by the Calculation Agent named above shall (in the absence of manifest error) be final and binding upon all parties.

(e) Notwithstanding other provisions of paragraph 8, if at any time prior to, on or following any Interest Determination Date, (i) a Benchmark Event occurs in relation to the Reference Rate or (ii) the Issuer or the Calculation Agent determines that the Relevant Screen Page on which the Reference Rate appears has been discontinued, the Issuer will as soon as reasonably practicable (and in any event prior to the next relevant Interest Determination Date) appoint an agent (the “Reference Rate Determination Agent”), which will not later than the Interest Determination Cut-off Date (as defined below) determine acting in good faith and in a commercially reasonable manner whether a substitute or successor rate for purposes of determining the Reference Rate on each Interest Determination Date falling on such date or thereafter that is substantially comparable to the Reference Rate is available. If the Reference Rate Determination Agent determines that there is an industry accepted successor rate, the Reference Rate Determination Agent will use such successor rate to determine the Reference Rate.

For these purposes, a rate that is formally recommended by a relevant central bank, reserve bank, monetary authority, a group of the aforesaid central banks, monetary authority or supervisory authority, or any similar institution (including any committee or working group thereof) for the currency to which the Reference Rate relates or any supervisory authority which is responsible for supervising the administrator of the Reference Rate will be considered an industry accepted successor rate.

It is further specified that if there is two or more industry successor rates recommended by the above-mentioned authority, institution or working groups, the Reference Rate Determination Agent shall determine which of those successor rates is most appropriate, having regard to, inter alia, the particular features of the relevant Notes and the nature of the Issuer. If the Reference Rate Determination Agent has determined
a substitute or successor rate in accordance with the foregoing (such rate, the
"Replacement Reference Rate"), for purposes of determining the Reference Rate on
each Interest Determination Date falling on or after such determination, but not earlier
than the actual discontinuation of the Reference Rate (i) the Reference Rate
Determination Agent will also determine without the prior consent or approval of the
holders changes (if any) to the business day convention, the definition of business day,
the interest determination date, the day count fraction, and any method for obtaining
the Replacement Reference Rate, including any adjustment factor needed to make such
Replacement Reference Rate comparable to the Reference Rate, in each case in a
manner that is consistent with industry-accepted practices for such Replacement
Reference Rate; (ii) references to the Reference Rate in the relevant Note will be
depicted to be references to the Replacement Reference Rate, including any alternative
method for determining such rate as described in (i) above; (iii) the Reference Rate
Determination Agent will notify the Issuer of the foregoing as soon as reasonably
practicable; and (iv) the Issuer will give notice no later than ten (10) Business Days
prior to the relevant Interest Determination Date to the holders and the Calculation
Agent specifying the Replacement Reference Rate, as well as the details described in
(i) above.

(f) The determination of the Replacement Reference Rate and the other matters referred to
above by the Reference Rate Determination Agent will (in the absence of manifest
error, wilful default or fraud) be final and binding on the Issuer, the Calculation Agent
and the holder of this Note, unless the Issuer considers at a later date that the
Replacement Reference Rate is no longer substantially comparable to the Reference
Rate or does not constitute an industry accepted successor rate, in which case the Issuer
shall re-appoint a Reference Rate Determination Agent (which may or may not be the
same entity as the original Reference Rate Determination Agent) for the purpose of
confirming the Replacement Reference Rate or determining a substitute Replacement
Reference Rate in an identical manner as described in paragraph 8(e) above, which will
then (in the absence of manifest error, wilful default or fraud) be final and binding on
the Issuer, the Calculation Agent and the holder of this Note. If the Reference Rate
Determination Agent is unable to or otherwise does not determine a substitute
Replacement Reference Rate, then the last known Replacement Reference Rate will
remain unchanged. No consent of the holder of this Note shall be required in connection
with effecting the Replacement Reference Rate or such other changes pursuant to
paragraph 8(e) and this paragraph 8(f).

Such amendments shall not impose more onerous obligations on the party responsible
for determining the Rate of Interest or expose it to any additional duties or liabilities
unless such party consent.

Notwithstanding any other provision of paragraph 8(e), if in the Calculation Agent’s
opinion there is any uncertainty between two or more alternative courses of action in
making any determination or calculation under paragraph 8(e), the Calculation Agent
shall promptly notify the Issuer thereof and the Issuer shall direct the Calculation Agent
in writing as to which alternative course of action to adopt. If the Calculation Agent is
not promptly provided with such direction, or is otherwise unable to make such
calculation or determination for any reason, it shall notify the Issuer thereof and the
Calculation Agent shall be under no obligation to make such calculation or
determination and shall not incur any liability for not doing so.

(g) Notwithstanding any other provision of paragraph 8(e) or (f), (i) if the Issuer is unable
to appoint a Reference Rate Determination Agent or (ii) if the Reference Rate
Determination Agent is unable to or otherwise does not determine for any Interest
Determination Date a Replacement Reference Rate before the Interest Determination
Cut-off Date or unable to provide notice to the Paying Agent and the Calculation Agent of a Replacement Reference Rate ten (10) Business Days prior to the Interest Determination Date, no Replacement Reference Rate will be adopted, and the Relevant Screen Page on which appears the Reference Rate for the relevant Interest Accrual Period will be equal to the last Reference Rate available on the Relevant Screen Page as determined by the Calculation Agent.

(h) The Reference Rate Determination Agent may be (i) a leading bank or a broker-dealer in the principal financial centre of the Specified Currency as appointed by the Issuer, (ii) the Issuer or an affiliate of the Issuer (but in which case any such determination shall be made in consultation with an independent financial adviser), (iii) the Calculation Agent or (iv) any other entity which the Issuer considers has the necessary competences to carry out such role.

(i) “Benchmark Event” means with respect to an original Reference Rate:

(i) the original Reference Rate ceasing to exist or be published permanently or indefinitely;

(ii) the making of a public statement by or on behalf of the administrator of the original Reference Rate that it has ceased or will, on or before a specified date, cease publishing the original Reference Rate permanently or indefinitely (in circumstances where no successor administrator has been appointed that will continue publication of the original Reference Rate);

(iii) the making of a public statement by the supervisor of the administrator of the original Reference Rate that the original Reference Rate will, on or before a specified date, be permanently or indefinitely discontinued;

(iv) the making of a public statement by the supervisor of the administrator of the original Reference Rate, the central bank for the above-mentioned Specified Currency of the original Reference Rate, an insolvency official with jurisdiction over the administrator of the original Reference Rate, a resolution authority with jurisdiction over the administrator of the original Reference Rate or a court or an entity with similar insolvency or resolution authority over the administrator of the original Reference Rate, which states that the administrator of the original Reference Rate has ceased or will cease to publish the original Reference Rate permanently or indefinitely (in circumstances where no successor administrator has been appointed that will continue publication of the original Reference Rate);

(v) the making of a public statement by the supervisor of the administrator of the original Reference Rate that means the original Reference Rate will be prohibited from being used or that its use will be subject to restrictions or adverse consequences that would not allow its further use in respect of the Notes, in each case by a date specified within the following six months;

(vi) a public statement by the supervisor of the administrator of the original Reference Rate or that, in the view of such supervisor, such original Reference Rate is no longer representative of, or will no longer be representative of, an underlying market and such representativeness will not be restored (as determined by such supervisor) or the methodology to calculate such original Reference Rate has materially changed;

(vii) it has or will prior to the next relevant Interest Determination Date become unlawful or otherwise become prohibited for the Issuer or the Calculation Agent.
Agent to calculate any payments due to be made to any holder using the original Reference Rate (including, without limitation, under the Benchmarks Regulation (Regulation (EU) 2016/1011) as amended, varied, superseded or substituted from time to time (the “EU Benchmarks Regulation”) or Article 36 of Regulation (EU) 2016/1011 as it forms part of UK domestic law by virtue of the European Union (Withdrawal) Act 2018 as amended, varied, superseded or substituted from time to time, if applicable); or

(viii) a decision to withdraw the authorisation or registration pursuant to Article 35 of the EU Benchmarks Regulation or the UK Regulation as applicable of any benchmark administrator previously authorised to publish such original Reference Rate has been adopted,

provided that, in the case of sub-paragraphs (ii)-(iv), the Benchmark Event shall occur on the date of the cessation of publication of the Reference Rate, its discontinuation or on the date of prohibition of use of the Reference Rate, as applicable, and not the date of the relevant public statement.

“Interest Determination Cut-off Date” means the date which falls fifteen (15) calendar days before the end of the Interest Period relating to the Interest Determination Date in respect of which the provisions of paragraphs 8(e) to (i) above shall be applied by the Issuer.

9. If this is a floating rate interest bearing Note, the following provisions will be applicable:

(a) a certificate of the Calculation Agent as to the Rate of Interest payable hereon for any Interest Period (as defined below) shall be conclusive and binding as between the Issuer and the bearer hereof;

(b) the period beginning on (and including) the Issue Date and ending on (but excluding) the first Interest Payment Date and each successive period beginning on (and including) an Interest Payment Date and ending on (but excluding) the next succeeding Interest Payment Date is called an “Interest Period” for the purposes of this paragraph;

(c) the Issuer will procure that a notice specifying the Rate of Interest payable in respect of each Interest Period be published as soon as practicable after the determination of the Rate of Interest. Such notice will be delivered to the bearer of this Note or, if that is not possible, it will be published in a leading English language daily newspaper published in London (which is expected to be the Financial Times); and

(d) if the provisions of this Note require the Calculation Agent (where the Issuer is not the Calculation Agent) to exercise discretion in order to perform its duties hereunder, then such reference shall be construed as a reference to the Issuer exercising such discretion and instructing the Calculation Agent who shall act accordingly and the Calculation Agent will be entitled to refrain from taking any action until so instructed.

10. If the proceeds of this Note are accepted in the United Kingdom, the Nominal Amount shall be not less than £100,000 (or the equivalent in any other currency).

11. Instructions for payment must be received at the office of the Issue and Paying Agent referred to above together with this Note as follows:

(a) if this Note is denominated in Australian dollars, New Zealand dollars, Hong Kong dollars, Renminbi or Japanese Yen, at least two Business Days prior to the relevant payment date;
(b) if this Note is denominated in United States dollars, Canadian dollars, Swiss francs, euro or Sterling, at least one Business Day prior to the relevant payment date; and

(c) in all other cases, at least two Business Days prior to the relevant payment date.

As used in this paragraph, “Business Day” means:

(i) a day other than a Saturday or Sunday on which commercial banks are open for general business (including dealings in foreign exchange and foreign currency deposits) in London; and

(ii) in the case of payments in Renminbi a day on which commercial banks are open for general business (including clearing and settlement of Renminbi) in Hong Kong, China and, in all other cases, a day on which commercial banks are open for general business (including dealings in foreign exchange and foreign currency deposits) in the principal financial centre in the country of the Specified Currency.

12. This Note shall not be validly issued unless manually authenticated by Citibank, N.A., London Branch as Issue and Paying Agent.

13. (a) This Note and any non-contractual obligations arising out of or in connection with it are governed by, and shall be construed in accordance with, English law.

(b) Subject to paragraph 13(h), any dispute, controversy or claim arising out of or relating to this Note, including the existence, validity, performance, breach or termination thereof (including a dispute regarding non-contractual obligations arising out of or relating to this Note), shall be referred to and finally resolved by arbitration administered by the Hong Kong International Arbitration Centre under the UNCITRAL Arbitration Rules in force when the Notice of Arbitration is submitted (the “UNCITRAL Rules”), as modified by the HKIAC Procedures for the Administration of Arbitration under the UNCITRAL Rules (the “HKIAC Procedures”). These dispute resolution provisions shall also be governed by and construed in accordance with English law. Hong Kong law will be the procedural law of any arbitration hereunder.

(c) The arbitral tribunal shall consist of three arbitrators. The members of the arbitral tribunal shall be appointed in the manner set out in the UNCITRAL Rules. The appointing authority shall be HKIAC. The seat of the arbitration shall be Hong Kong, China. The language of the arbitration shall be English.

(d) Unless otherwise expressly provided in this Note, the arbitral tribunal will have no authority to award (i) punitive damages or (ii) damages for consequential or indirect losses.

(e) The arbitral tribunal will have no authority to award interest in excess of the Secured Overnight Financing Rate (“SOFR”) then prevailing, and any such interest awarded will be simple interest only. In the event SOFR is no longer an active interest rate, the Issuer shall elect a suitable replacement interest rate.

(f) The arbitral tribunal shall not be authorised to grant, and no holder of Notes shall seek from any judicial authority, any interim measures or pre-award or emergency relief against the Issuer, notwithstanding any provisions of the UNCITRAL Rules to the contrary.
(g) At the election of the Issuer, any further dispute, controversy or claim which arises out of this Note shall be consolidated with any ongoing proceedings before the arbitral tribunal, but no other party shall be joined to, and no other disputes, controversies or claims shall be consolidated with, such on-going proceedings before the arbitral tribunal.

(h) Notwithstanding the provisions of this paragraph 13, nothing contained in this Note shall operate or be regarded as a waiver, renunciation or other modification by the Issuer of any status, immunities, privileges or exemptions of the Issuer under its Articles of Agreement, all of its basic documents, any applicable law or international practice.

14. No person shall have any right to enforce any provision of this Note under the Contracts (Rights of Third Parties) Act 1999 but this does not affect any right or remedy of any person which exists or is available apart from that Act.
